RUSH HQ SCHOOL PROGRAM

1300 74 75 76
info@rushhq.com.au
www.rushhq.com.au

Rush HQ is Melbourne's premier indoor adventure park, boasting an impressive list of activities designed to challenge students of all ages both physically and mentally while developing a wide range of skills.

The hosted programs that we offer schools are tailored for students from a primary level all the way up to year 12, under the guidelines of the Victorian Curriculum Assessments on Health and Physical Education. Our programs promote the health, wellbeing, movement competence and confidence of all participants in a friendly and encouraging environment.

Rush HQ's extensive range of activities includes a huge multi-level obstacle course, two large

dodge-ball courts, a newly refurbished multi-wall rock climbing area, several jump n' slam basketball lanes and over 100 state of the art interconnected trampolines. We also have five birthday party rooms, group catering options, as well as a wide range of food options within our cafe.

We pride ourselves on delivering our programs and facilities to schools in the safest and friendliest way possible by staff members that are knowledgeable and encouraging.

Children under the height of 110cm will be restricted to certain areas of the facility. Closed toe shoes are required to access Mt Madness and The Gauntlet.

EXCLUSIVE SCHOOL PRICING (WEEKDAYS)

- 60 minute program facilitated by an amazing Rush HQ host.
- One host per class.
- Includes Rush HQ grip socks.

- 2 hours using our facilities including an amazing Rush HQ host.
- One host per class.

* School pricing (min. 10 required) is only available Monday to Friday, excluding school and public holidays.

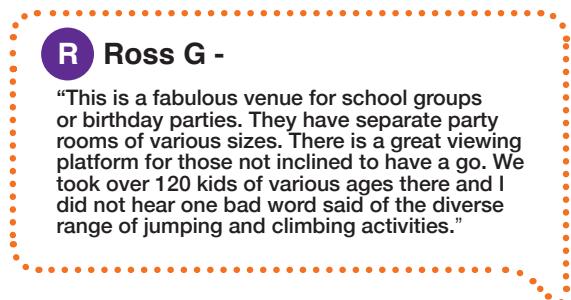

* We require a 50% deposit in order to secure a booking. If there is anything at all that we can help you out with, please call us on 1300 74 75 76.

HOW IT WORKS?

Our hosted school programs are very flexible and cater to your individual group's size, age and overall goals. We will work together to design a program that suits the amount of

sessions you wish to participate in. This ranges from a one off session all the way up to a term booking. Just tell us what you are looking to achieve and we will make it happen.

SOME FEEDBACK

ACTIVITY 1 LEVEL 1 - OVER 110CM / LEVEL 2 - OVER 140CM

OBSTACLE COURSE (THE GAUNTLET)

Defy gravity by running, swinging, climbing and soaring through Australia's premier obstacle course. The two level course is jam packed full of unique challenges that will test the participant's problem solving, fine motor skills and courage. The whole course will have students climbing, tight-rope walking and swinging their way through each section under the guidance of our trained staff members.

Body Awareness

Hand-Eye Coordination

Motor Skill Development

Confidence

ACTIVITY 2 OVER 110CM

ROCK CLIMBING (MT MADNESS)

Mt Madness is an entire world of strategy, perseverance, strength, determination and intelligence. Climbers test their abilities against our multiple bouldering walls. Recently re-designed and constructed by Australian national climber William Hammersla, our three large climbing walls will appeal to the very beginner all the way up to the most advanced climber in any age group.

Body Strength

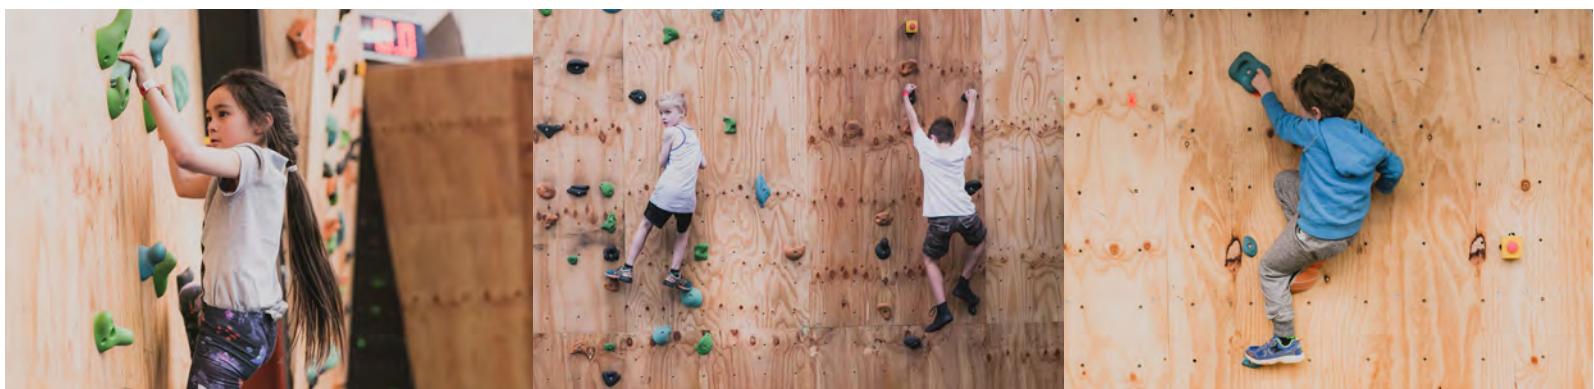

Hand-Eye Coordination

ACTIVITY 3 OVER 110CM

PERFORMANCE TRAMPOLINES (JUMP FACTORY)

According to NASA, rebound exercise is the most efficient and effective form of exercise devised by man. We have over 100 trampolines spread throughout our facility accommodating participants of all levels and abilities. Our 6 performance trampolines are perfect for those looking for extra air time and the chance to practice any aerial tricks and flips. Students can also take on our wall running challenge.

**ACTIVITY 4**

BASKETBALL LANES (JUMP N SLAM)

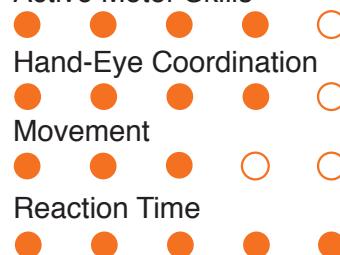

Race against the clock to throw down as many hoops as possible before the time runs out. We have 4 dedicated lanes for shooting and dunking just like all of the professional NBA and NBL superstars. Whether students have never picked up a basketball or have years of experience, our hoops will provide hours of entertainment while also improving confidence, hand-eye coordination and concentration.

ACTIVITY 5 OVER 110CM

DODGE-BALL (DODGE IT)

Two teams, six balls, one goal! Take on the world (or just the class) in a dodge-ball game like no other. Engaging and stimulating students on multiple levels, dodge-ball is a high energy game requiring teamwork, strategy and hand and body coordination. Watch as this game brings out the best in students, as they learn to dodge incoming balls, work together with their teammates and side step their way to victory.

Active Motor Skills**ACTIVITY 6 UNDER 110CM**

INFLATABLES AREA (JUNIOR JUMPERS)

Our Junior Jumpers area is the perfect place for young children to gain confidence as they run, jump and slide their way around our multiple inflatable castles. They can be as bold as they wish whilst discovering their abilities, improving hand-eye coordination, spatial awareness and gaining huge amounts of confidence in the process. Parents can also sit close by and easily interact with their kids in this area.
